

EPHESIANS

Discover Your Inheritance

One of the most remarkable things about our Faith is that by God's grace, we have become his adopted sons and daughters. Because of this, we are the heirs of all our heavenly Father's divine promises and blessings. In your day-to-day life, what does it mean to be a son or daughter of God? When you sit in the pews each Sunday, what does it mean to be part of his family, the Church?

Paul's letter to the Ephesians reveals the amazing inheritance we have been given. I invite you to uncover the amazing gifts God has given you by joining us for *Ephesians: Discover Your Inheritance*, an eight-week Bible study beginning on [DATE]. You will not only discover your unique gifts and calling as a member of Christ's Church; you will also help us to grow in fellowship as a parish as we grow closer to Christ together.

Participants of *Ephesians: Discover Your Inheritance* will receive a workbook and will meet every week to view an engaging video presentation followed by a time of lively group discussion and fellowship. The eight 30-minute videos, presented by Jeff Cavins, will guide you through St. Paul's letter to the Ephesians, helping you discover the great inheritance that awaits us as sons and daughters, adopted fully into the family of God.

The sessions are available on line in the event you miss a session or wish to look ahead.
