

"Long before we do anything explicitly religious at all, we have to do something about the fire that burns within us," writes Ronald Rolheiser.

"What we do with that fire, how we channel it, is our spirituality."

From the opening chapter, where Rolheiser eloquently compares the burning spiritual fire of Mother Teresa, Janice Joplin, and Princess Diana, readers will be fully engaged in a unique and altogether fascinating discussion of Christian spirituality.

PEQUEÑAS COMUNIDADES DE FÉ**

Longing for the Holy is for those who want to enrich their sense of the presence of God.

Based on the gentle spiritual guidance and practical wisdom of best-selling author, Fr. Ronald Rolheiser, OMI, it concerns the way we channel the deep longing at the core of our beings.

Designed for either a small group faith-sharing experience or personal reflection, participants explore the implications of the central mysteries of faith-- the Incarnation, the Eucharist, and the Paschal Mystery -- for spirituality.

Attending to the cultural challenges that keep us from realizing our true desire, it considers the important themes of church community, justice, sexuality, the practices of the spiritual life, and being a mystic of the everyday.
